## USE OF CAMPUS PHONES

### Emergency Calls (Accident, Fire, Police, etc.)

Dial "0" and report to University Operator

### Outgoing Calls from Duluth Campus

To Duluth Campus numbers—Dial extension number listed in this directory.

To Duluth city numbers—Dial "9," then number listed

If no dial tone is heard after dialing "9," hang up for a few minutes, as that indicates all outgoing equipment is momentarily busy.

**Long Distance Calls**—Dial "0" and place call with the University Operator.

*Note:* All long distance calls must be placed through the switchboard for billing purposes. If you place a long distance call, or send a wire, when switchboard is not in operation, please use forms for reporting same and send to Business Office, Main 118.

**Successive Calls**—In making successive calls, hang up for a few seconds between calls to clear dial equipment.

**Report Telephone Trouble**—Dial "0" and place call with University Operator.

**To Transfer a Call**—Incoming calls handled by your operator may be transferred from one extension to another. To transfer a call, move the receiver hook slowly up and down several times. When the operator answers, ask her to make the transfer.

Calls which you have dialed or calls which have been dialed from any extension on either campus cannot be transferred. An attempt to do so will cause a cutoff. Party will need to make a new call to desired extension.

**Answering Calls**—When receiving a call, answer by your name, department or both. When answering another person's phone, give both his name and yours: "Mr. Jones' office, Mr. Smith speaking."

**Use This Directory**—Wrong numbers mean extra calls. When in doubt, use your directory or call "Operator" for numbers not listed.
